Alas! it is not till time, with
reckless hand, has torn out
half the leaves from the Book
of Human Life, to light the
fires of passion with, from
day to day, that man begins to
see that the leaves which
remain are few in number.

— Longfellow, *Hyperion*, Bk. iv, ch. 8.

This data was originally intended to be published in a semi-blank book called *The Book of Your Life*. The idea was that there would be a pair of pages for each age; the left-hand pages would consist of other people's accomplishments, while the right-hand pages would be blank so you could fill in your own achievements. Read the [Introduction to The Book of Your Life](#). (We welcome inquiries from book publishers and literary agents.)
